- *Exposure* : Southeast
- *Harvesting* : **Manual with sorting in the vines**
- *Duration of ageing* : 20 Months
- *Cultivation* : **Certified Organic** since 2024

The name “Tuvilains” dates back to the Middle Ages, when farmers toiled on this land. Nestled at the foot of a hillside south of Beaune, the **Premier Cru “Les Tuvilains”** faces southeast, at an altitude of 230 metres, directly adjoining the renowned “**Clos des Avaux**” vineyard.

Here, the Pinot Noir grows in brown limestone soil mixed with alluvial deposits, a composition that promotes opulence, crispness, and finesse.

The nose brings notes of **cherry, red berries, and delicate floral aromas**, followed by a subtle hint of spice. On the palate, the texture is **full-bodied and silky**, supported by refined tannins.

An **elegant, refined, and vibrant Premier Cru**, in which the concentration of fruit is balanced by the freshness of the *terroir*.

Already captivating with its smooth texture and aromatic brilliance, this wine also has the structure to develop a beautiful depth after a few years in the cellar.
