

SAVIGNY-LES-BEAUNE

Vieilles Vignes

- *Lieux dit* : « Vieilles Vignes »
- *Varietal* : 100 % pinot noir
- *Year of planting* : 1955, 1960, 1964
- *Terroir* : Very well-drained clay-limestone soil
- *Altitude* : 230 meters
- *Exposure* : South
- *Harvesting* : Manual with sorting in the vines
- *Duration of ageing* : 14 – 16 months
- *Cultivation* : Conversion to organic practices began in 2020.

Located on the *climats* of Les Planchots de la Champagne, Les Planchots du Nord, and Les Connardizes, this Savigny-lès-Beaune is a blend of three *terroirs* located very close to one another. The plots are all planted with 60-year-old vines and are located at the bottom of the hillside, covering around one hectare in total. These old Pinot Noir vines take root in shallow and very stony reddish limestone soil.

This wine has beautiful density and great finesse, combining very elegant tannins with lots of roundness.

It is a well-balanced, indulgent, and open wine, that should be enjoyed within the next five years.
